# A DAY TO CHERISH FOREVER

29th January 2010

**St. Joseph's College, Irinjalakuda  
bows in love, reverence and regard to  
the Sage, Seer and Scientist**

**His Excellency  
Dr. A.P.J. Abdul Kalam**

**erstwhile President of India**

*The most memorable event of the year was the arrival of His Excellency, Dr. A.P.J. Abdul Kalam at St. Joseph's to interact with the students and inaugurate the new seminar complex. It was a defining moment for the college to enter into a dialogue with the most popular President the country has ever seen.*

*To commemorate Dr. A.P.J. Abdul Kalam's Visit, the college has instituted the "Star of Excellence" Award out of a corpus amount of Rs. 1 lakh.*

## **Section A**

### **Plan of action chalked out by the IQAC in the beginning of the academic year towards quality enhancement**

The various departments of the college were requested to chalk out a detailed five year plan for the period 2007 - 2012. The plans they have submitted for the year 2009-2010 are as follows:

#### **1. Higher Focus Course:**

As a sustained effort to realize the vision and mission of the college, it was decided to continue the three-year Composite Empowering Training Programme – the Higher Focus Course - this year also which includes training in skills related to driving, yoga, self - defence, personality development, computer, internet etc. and to issue certificates to those who complete the course successfully.

#### **2. Bridge Course:**

A three-day orientation course was decided to be given for the first Year degree entrants from **05 August 2009** in order to make their transition from the Higher Secondary to the University level education quite jerk-free. The new skill development approach to university education and their goal orientation, the attitude and preparedness it calls for on the part of the students will form a major part of the course content. The talks given in this regard will touch the innumerable facilities, resources and support services available to the students in the college and the ways in which they can benefit out of them.

A session of the course will be set apart for the parents who will be briefed on the changing environment in which their wards are trained in the campus and the demands the new set up makes on them by way of co-operation with the teaching and non-teaching staff and the management. Moreover, they will also be informed of the need of inculcating professional skill in their wards which alone can enable them to face the stiff competition, are likely to face in professional excellence at the global level. Over and above the usual working hours of 9.15 a.m. to 3.15 p.m., the students will be retained in the campus for an hour more in the evenings for imparting special soft skills they should acquire for the above purpose.

## AQAR 2009-‘10

### 3. Remedial, Career Guidance and Soft skill courses:

Remedial, Career Guidance and Soft skill courses will commence during the first month of the first term itself without fail.

### 4.UGC Funded Innovative Programme:

Under this scheme the Department of Mathematics is conducting a one year Diploma Course in Cryptography for Engineers and Post graduate students in disciplines with Mathematics as a subject, has been changed to M.Sc. Cyber Security course for two years from 2009-10 onwards.

### 5. Enrichment and Other Courses

#### *(a) UGC sponsored add-on courses*

The existing UGC sponsored add-on courses in communicative English, started with added focus on increasing the number of participating students. U.G.C. has sanctioned two more add-on courses on Yoga, Health Management & Gemology from the year 2010.

#### *(b) Enrichment, Certificate and Diploma Courses:*

Appropriate Enrichment Courses in various skills in order to equip the undergraduate students to stand out in the job market scenario will also be held as usual. A list of the proposed courses is furnished below:

**16. Student Progress Monitoring Mechanism (SPMM) :**

During the year the institution will ensure that the Student Progress Monitoring Mechanism (SPMM) in operation in the college is put to maximum use and advantage to the student community. The Mechanism will measure up stage by stage the progress or otherwise made by the student throughout the course and will furnish the student and the parent timely corrective directions. The tutors will be entrusted with the responsibility of this important task. A battery of testing systems will be made use of for this purpose and they will mainly consist of test papers, surprise tests, quiz, terminal Examinations, model examinations, Mock Viva Voce, Assignments, Seminars, Paper Presentations, Business games etc. The existing open and participatory evaluation mechanism coupled with the grievance redress system will continue to ensure the transparency of the evaluation system.

**17. Academic Excellence Promotion Body:**

The Academic Excellence Promotion Body working in the college will also monitor the progress of the students, especially that of the advanced learners and the impaired learners. Special efforts will be taken to devise a boosting mechanism by which the middle level students too are raised to the level of the advanced learners. Students with learning problems will be identified during the tutorial sessions and will be advised to seek help from the professional counselling facility offered by the institution.

**18. Publications & Manuscripts:**

The multidisciplinary annual research journal – RAYS – published by the research promotion wing of the college, GRACE, will be brought out this year also without fail by the end of this academic year. The registration formalities of the Journal are progressing fast. The attempt of the journal to include articles and abstracts from researchers outside the college has met with success. Every Department in the college brings out some sort of publication every year and the proposed schedule of release of the publication during the year is as follows:

**Table A.9*****Proposed schedule of release of the Publications & Manuscripts:***

## **AQAR 2009-'10**

### **20. Refresher Courses:**

Updating will be viewed as a very important teacher function, and for this purpose they will be urged to attend refresher/ orientation courses and seminars and symposia wherever the venue is. Maximum efforts will be made to make available to them participation allowance for which there is provision in the UGC grants. This will be specially looked into in the case of teachers who have received invitations from outside agencies or institutions for paper presentation, talks, classes etc. As usual they will be entitled for legitimate leave with pay for their participation in such updating sessions.

### **21. Paper Publication:**

Assistance will be considered also for the publication of the teachers. This year the college or the sponsoring agencies it finds out will publish at least two research books prepared by the teachers. It is also decided that every faculty will publish at least one paper this year.

### **22. Innovative Methods:**

Since the college is an affiliated one, it is not free to bring about any kind of reforms in testing or examination system practiced by the University. However, in the internal assessment made by the college the college intends to make use of innovative techniques like test with books, peer evaluation, oral tests, on-line tests, tests with books etc.

### **23. Administrative Efficiency**

To enhance administrative efficiency it has been planned to organize workshop for the faculty and staff, guided by resource persons from offices of the concerned government departments or the University. The first of these seminars will be held during the midsummer vacation of the academic year 2009-10 in which the entire administrative staff will take part. Short courses in soft skills also will be arranged for the benefit of the staff. The schedule of this year's seminars is follows:

Seminar for faculty: 20<sup>th</sup> June, 2009

Seminar for Staff : 21<sup>st</sup> July, 2009

### **24. Curriculum Designing**

Curricular restructuring is an important exercise in which the teaching staff of the college should take an active part, and with this end in view departments will be persuaded to hold faculty discussion on the suggestions to be submitted to the University as and when such deliberations take place in the University. The Department will also consult the industry in this matter so that the syllabus ultimately turns out to be responsive to the needs of the industry. The faculty membership in University bodies related to this area will be encouraged and teacher participation in their deliberations will be ensured.

## AQAR 2009-‘10

Seminars/workshops organized on syllabus restructuring by bodies other than Universities will also receive attention. The faculty will also be urged to interact effectively with the newly formed higher education council and to submit suggestions for reforms proposed by the council.

### 25. Consultancy

A consultancy Cell is proposed to be set up in every Department to promote institution/industry interface to the maximum extent possible. Surplus expertise available in the Department can then be successfully canalized for societal requirement. Consultancy has not been a strong point of the college for long and with the implementation of the present plan things are expected to take a turn for the better. The Cell will identify pockets in need of the expertise we have to offer, and this will widen the consultancy net-work of the college to an amazing extent.

### 26. Project Undertake:

The thrust on research will be accentuated by raising the number of projects departments undertaken with financial support from external agencies. At the beginning of every year a special workshop will be convened for this purpose, especially to chalk out major projects that are very few in the college now. Funding agencies other than the UGC will be approached for this purpose. And the Departments will be persuaded to give adequate consideration for the major projects. It is expected that the following faculty members will apply for Major/minor projects this year:

**Table A.11**

***List of proposed Projects during the year***

SL no	Department	Name of the Faculty	Major/minor
1.	English	Dr. Asha Thomas	Major
2.	English	Ms. Sarala Joyce Christopher	Minor
3.	Commerce	Dr.Philo Francis.	Minor
4.	Mathematics	Ms. Philomina M.T.	Major
5.	Mathematics	Dr. Mangalambal	Major
6.	Mathematics	Ms. Lilly Vincent	Minor
7.	Hindi	Ms. Lissamma	Minor
8.	Botany	Ms. Beena Anto K.	Minor
9.	Botany	Ms. Egy Paul	Minor

10.	Chemistry	Dr. Pearly Sebastian	Minor
11.	Chemistry	Dr. Sr. Lilly Kachappilly	Minor

**27. Linkages**

Adequate number of academic and research linkages will be developed during the year under review to widen the reach and scope of enquiry of the student and teacher community. Though the college at present has linkages with a number of institutions, these links are not bound by necessary documentary support. Efforts will be made also to get into Memoranda of Understanding in the case of these linkages.

**28. Infrastructure:**

New infrastructure facilities for starting new courses like MBA, MCA & B.Com under off campus scheme and a new state of the art computer laboratory will be provided for MCA and PG Diploma in Cryptography.

**29. IT Facilities:**

The LAN facility will be inaugurated very soon. Internet facilities will also be stepped up enabling students and faculty to make maximum use of the facility. Internet facilities will be made available in all research departments.

**30. Library:**

The number of books in the library will be raised to 67000. Number of journals and periodicals subscribed will be raised to 325 and the number of educational CD's in the library will be raised to 500. The reprographic facilities will be improved.

The service of the library will be extended to the people beyond campus limits in order to make it to be of service to common man. A book bank facility is also mooted. The working hours of the library will be enhanced by an hour every working day.

**31. Website**

The college website will be updated with information on the support given to the aspiring students. This information will also be provided in the college prospectus, brochures, handbook and advertisements published by the college. Personal counselling will also be provided in this matter, if required.

**32. IQAC**

The IQAC functioning in the college will issue special handouts inviting attention of the students to the various facilities offered to them in the college. IQAC plan with the department for quality enhancement and sustenance.

**33. Academic Calendar:**

The teachers will speak to the students on the curricular plans at the opening of the first session of every course. An academic schedule will be issued to them on the first day of the course. Detailing the work plan of the year/semester. This will include also the code of contact and behaviour expected from the students.

**34. Central Monitoring Cell**

A central monitoring cell function in the college will come to the help of the students in all areas or problems related to the University, Government and other Institutions. The academic counselling facilities available in the college will be further stepped up.

**35. Sports & Cultural Events:**

Recreation, cultural and sports facilities intended for the students will be further augmented. Special training for cultural competitions will be arranged in order to enable them to successfully compete in the inter collegiate and state level competitions. In sports and games also those interested will be given excellent training. Specialized coaches will be made available to all the students interested in Sports and games. Attempts will be made by liasoning with the Government, to secure sanction for a sports hostel for the higher secondary students.

**36. Alumnae**

The college alumnae will be called upon to extend assistance to the present students by donating generously to the various curricular and co curricular programs organized for them. The alumnae will also contribute generously to provide housing for a homeless student. They have also provided scholarships for a few needy students under the auspicious of the Botany alumnae, the neighbouring community will be train in various instant food manufacturing techniques and their marketing.

**37. Entrepreneurial Development Club**

The Entrepreneurial Development Cell will keep on motivating the students to take up self employment schemes on completion of the course. For this purpose the students will be familiarized with the governmental policies, programs and proposals for women self employment including the support from banks and other financial institutions.

**38. All Round Development:**

As leisure time activities opportunities will be provided for the student involvement in nature club, publication of magazines and journals, participation in cultural programs, involvement in audio visual production (including educational and documentary films).

**39. Communal Harmony**

All religious festivals will be appropriately observed in the campus with a view to promote among the students communal harmony and respect for all religions.

**40. Community Programmes:**

Available surplus space will be utilized for programs of outside agencies such as National Youth Forum, Women organizations, CASP activities, career guidance, Yoga practices etc. During holidays and after college hours on week days, the college premises will be utilized for examination of public service commission, Hindi Prachara Sabha etc.

**41. Film Club**

A film club will soon be begun in the campus which would promote production and exhibition of short films of art value.

**42. Community Awareness:**

To create community service awareness among the students and in order to make them aware of the realities apart from the main stream activities like NSS, NCC, AICUF, Social Service, Women's Cell, Free Medical Camp etc. a number of other activities will also be carried out as detailed below.

- a. CASP, CSS, Reach out programs will include programs like visit to the Home for the Aged, Home for physically and mentally challenged, Hospitals, Prisons, Rehabilitation centers and Orphanages.
- b. As part of the student support and progression programme Darsana, the college counselling centre will continue to provide professional aid to solve the personal problems of the students, their families and the community. Darsana will also extend its services to the *Alcoholic Anonymous, Mathruvedi and Youth*. Seminars and classes related to these are planned for this year also.
- c. Some of our faculty and staff are involved in the extension activities such as volunteers of crisis intervention centers and Lok Ayukth. More members of teaching staff will be urged to take up social responsibilities of this sort.
- d. Departmental associations and related clubs will plan various activities to motivate the students to excel in curricular and co-curricular activities.
- e. Freshers' day, Union Inauguration Day, Talents Day, Fine Arts Day, Sports Day, College Day, Foundress Day, Alumni Day,

Parents Day, Community Day, Teachers Day, Women’s Day etc along with festivals and other days of national importance will be celebrated in a befitting manner this year also.

- f. The ‘Student of the Year’ competition is to be conducted in a unique way with the several rounds of tough screenings.
- g. Farewell programs for the undergraduate and post graduate students will be arranged at the academic year end or semester end as usual.

**43. Association Activities**

To promote a sense of solidarity and oneness among the faculty and staff, picnics, staff day celebrations and send off functions to the retiring staff and faculty will be organized this year also.

Alumnae get together will be held on 26<sup>th</sup> January this year also, as was the practice in earlier years.

Every month a meeting of the faculty and staff will be held to plan monitor and ensure implementation of plans and policies of the management.

**44. Welfare schemes to the Faculty and Staff:**

The faculty and staff of the college enjoy soft loan facility advanced by the management in case of emergencies. The procedure involves a scrutiny of the applications received by a committee comprising the Manager, Principal and the staff Councillors. Loans granted are generally for purposes like Housing, Education and Marriage of children and above all to meet hospitalization expenses. In addition to the above, children of the members of the non-teaching staff are eligible for special scholarships instituted by the management.

**Section B****1. Activities reflecting the goals and objectives of the institution**

The institution has always been formulating its plans and policies in such a way as to reflect its goals and objectives. They are also designed to motivate the students to strive for the sustained national development in every possible way.

***(a) Internal Quality Assurance Cell***

The college has a functional Internal Quality Assurance Cell. IQAC convened its first meeting for the academic year on 02/06/2009 in the IQAC room. IQAC continued its regular functioning in the academic year 2009-2010 also. It has conducted 30 meetings to enhance the quality of teaching, learning and evaluation. The Annual Quality Assurance Report of 2008-2009 was sent to the UGC in September. The Principal, Dr. Sr. Annie Kuriakose and IQAC Convener, Dr. Philo Francis went to the University of Calicut for an interface meeting with the UGC officials to attain the PG grant and the College Development Grant. The grant sanctioned came to the extent of 79 lakhs. The committee was expanded by including new members of faculty. This year Dr. Philo Francis and Dr. Shali Anthappan attended a seminar on 'Social outreach' held at St. Paul's College, Kalamassery on 13-7-2009. Dr. Sr. Christy and Mr. Stalin Raphael attended a seminar on 'Best Practices'. An Article on '*Best Practices at St. Joseph's College*' by Dr. Sr. Rosa K. D, Dr. Sr. Christy, Mr. Stalin Rapheal and Dr. Philo Francis was sent for publication.. All the activities of IQAC were conducted smoothly with the participation and co-operation of the Principal, faculty and staff.

***(b) Stress on National Development***

A day begins in the college with 'the thought for the day' which acts as a daily reminder to the students on the key role they play in the national life and the great goals the nation has set for them. Unity of the national life undisrupted by communal or linguistic prejudices is specially dealt on in these speeches.

***(c) Higher Focus Course:***

As part of our effort to realize the vision and mission the institution has set for itself, the existing Higher Focus course went on as usual this year also. The course comprises a spectrum of training programmes stretching to a period of three years on driving, personality development; spoken English, self defence (judo), Yoga etc. and they seek to empower women students of the college in a number of ways. The students who complete the course successfully will be eligible for a Certificate.

***(d) Value Based Education:***

Value education in this college is systematically planned and carried out aiming at conditioning our young women to meet the challenges of the modern world of fast depleting values. The Catholics are imparted values on the lines of the Gospel while the non-Catholics are enlightened with other ethical discussions. There is a well prepared value education syllabus for degree students and the post graduate students are given lessons chosen by the teachers in charge of their classes.

Two examinations were held during the year in Value education; one on 05 October 2009 and the second on 16 January 2010. Results were published on 20 January 2010 and Proficiency prize awarded to top students. A few special sessions were also held on value education in which very eminent speakers spoke to the students. Proficiency Prizes are awarded to the top students in Value Education examinations.

***(e) Acquisition of Global Competence***

In order to equip the students to face the challenges in the Global Job Market, adequate stress is laid on their communicative skill in English. The college is trying its level best to acquire hundred percent computer literacy among its staff, students and faculty. Additional coaching classes are also being held to step up the preparedness of the students to tackle successfully competitive examinations (including NET/JRF/IAS) for recruitments to various positions.

In this regard the following programmes offered by the various Departments of the college deserve special mention:

- Personality Development
- Group Discussion
- Art of Communication & Social etiquettes
- Dress code, Body language, Spoken English
- Coaching for Entrance to Summer Fellowship of the Indian Institute of Science, Bangalore.
- Coaching for Entrance to IAS
- International / National Seminar for PG students
- Visit to IICT and historically important places and monuments
- Career Guidance classes.
- Development of Entrepreneurial skill
- Certificate Course in Electrical and Electronic Maintenance.
- Certificate course in Horticulture Technique
- Certificate course in Health and Yoga education

**2. New academic programmes initiated (UG and PG).**

In its attempt to introduce courses with utmost employment potential on the emerging and innovative areas in conformity with the suggestions made by the NAAC Peer Team in the Re-accreditation Report, the college now offers the following courses with effect from the current academic year. Postgraduate Diploma in Cryptography under the Innovative Programme Scheme of the University Grants Commission has been converted into M.Sc. in Cyber Security a two year course by the UGC

**3. Innovations in curricular design and transaction**

Being an affiliated institution, this college has no independent authority to design its own curriculum and syllabus. The college is expected to follow the curriculum and syllabus designed and implemented by the University for all the affiliated Courses. Our contribution to this area is limited to the role our teachers play as members of the various academic bodies of the University. As members of the Board of examination both PG and UG offer significant suggestions in the deliberations of the board and such suggestions invariably influence the decisions of the board in designing the curriculum. The following table shows the participation of teachers in the curriculum design and development process during the year 2009-10.

**Table B. 1****Teachers Participation in the curriculum design and development process**

The innovative features of the curriculum of our college are the following:

- Replacement of the conventional method of ‘chalk and talk’ by *Power Point Presentations using Advanced Audio Video Aids*. Students are encouraged to make the best use of the transactional aids like OHP and LCD Projectors.

- All the final year UG and PG students are trained to *prepare their own* CD's and to use LCD for their general seminars.
- *Weekly Quiz Time* is a regular feature of almost all departments and this motivates the students to keep themselves abreast of the latest developments in their disciplines.
- *Visits by students to reputed research institutions and industrial establishments* related to their area of study are a regular annual feature in this institution. Such study tours form an integral part of the scheme of study in this college, in addition to the mandatory internship in factories or industrial units in the case of certain subjects.
- *Student Project* : Student support is a regular feature of all departments and this motivates the students to develop their language skills and their leadership qualities
- *Exclusive programs* like Rural Camps, Mini Research, Community Oriented Programs, Article Reviews and Discussions that fine-tune the students to the mind set the courses intends to develop in them are frequently carried out by our Department of Social Work.
- *Weekly tasks* are common to all undergraduate students and so are Regular Test Papers.
- *The Tutorial System* :

This is of the best practices followed in this institution way back from 1990 onwards. Students are divided into groups of 30 and entrusted to the special care of one teacher.

Probably, it is one of the teachers teaching the student so that there are chances of constant contact between the tutor and the ward. As a first step one tutorial hour is allotted to the whole college where all the tutors meet her wards as a group in a classroom or outside. Within the I<sup>st</sup> term itself, tutor meets all her wards in person, which is the preliminary or introductory session. For handling this session fruitfully, teachers are provided with a basic counselling seminar in the first week of the month of June.

After building some rapport with the student, an opportunity is given to the student to express her inner self through answering a questionnaire. Questions asked are of personal nature and the tutor has to keep it confidential.

1. Name, address, phone number, email etc of the student.
2. How to reach your home?
3. Achievements & talents – academic and non academic.

## AQAR 2009-'10

4. How do you feel after coming to this institution?
5. One of the saddest and happiest events in your life.
6. A brief life history.
7. Any help needed
  - a. Financial
  - b. Psychological
  - c. Spiritual
  - d. Academic

Of course, the way the student answers depends on a large number of factors. Some may write all answers in detail, while some others may just write their address. That also will tell you a lot about the nature of the student.

Then the teacher has to scrutinize the answers and categorize the students as A, B and C based on the urgency of attention needed. 'A' is the group which needs immediate attention with many problems in life. Next will be a session of interaction with the student where you can make use of the written information. Those who need psychological help are directed to Darsana counselling centre, functioning in the college campus itself. Two full time counsellors are appointed there, who have professional skills in dealing with problems of students. Service of an advocate also is available free of cost. In case of physical ailments, service of doctors also is made available.

- *House Visit*

Family problems affect the children more in their teenage. Many students are helpless victims of the liquor and drug addiction of father, psychological problems of mother and frequent quarrels at home. These children cannot concentrate on their studies in such a family atmosphere.

Tutors intervene repeatedly, helping the father, mother and thus the children bringing about a tremendous change in the family atmosphere and the children. Thus, St. Joseph's college provides not only intellectual development of the student, but paves the way for the overall growth of the student as well as the family. Financial aid is also given if needed from the P.T.A. and Social Service Fund.

The college decided to have the innovative practice of visiting the houses of faculty and students. Accordingly, the faculty visited the houses of 222 students during the year 2009-10. The Principal, Vice Principal and the IQAC Coordinator visited the house of all the faculty and staff during the year 2009-10.

- *Pre marital seminar*

Three days pre-marital seminar is offered to all outgoing students, from 1978 onwards to prepare the students for a successful family life as well.

- *Tutorial Record*

A tutorial record is maintained by every tutor, where essential data is recorded.

- *Remedial teaching and special program for weak learners* include Peer Group Teaching, Special Coaching Classes before and after usual class hours in the morning and evening and consultations for which teachers are available in the campus at least an hour before the class hours and an hour after that. Weak learners are taken note of soon after the Post Entrance Test (PET) and their progress is constantly monitored at the tutor and departmental level. Students belonging to the backward and depressed classes get separate coaching classes under financial assistance from the UGC and the Harijan Welfare Department about 250 SC/ST students are attending the Remedial Coaching Classes and twenty teachers are involved in the training programme. Free Spoken English classes were arranged for SC/ST students with financial assistance from Kannan Devan Nature Club.
- *Special interest programs* with the view to develop in the student's special interest in the advanced areas of the subjects especially in students endowed with extraordinary brilliance and aptitude have been undertaken by the departments of Physics and Mathematics. Physics Improvement Programme (PIP) has been successful in developing sustained interest in the academically brilliant students who undoubtedly deserve more than the ordinary in their intellectual pursuits. Another instance of similar programme is the SIM (Search in Mathematics) Club formed and operated by the Department of Mathematics with almost the same objectives.

In addition to empowering women with capability to earn through self – employment the following UGC Aided Add-on Courses have been incorporated in

**St. Joseph's College, Irinjalakuda**

the regular curriculum from 2008 with the hope that at the end of three years, the students will be equipped with a professional skill for which they will be awarded an advanced diploma along with the conventional degree in Science/Arts/Commerce. The maximum number of students in the course is limited to 50 in order to maintain quality and standard. Admission is on “first come, first served” basis. UGC sanctioned Add-on Course in Communicative English, started in the year 2009-10. During the academic year 2009-10 UGC has sanction 2 more add on courses in Gemology and other in Yoga and Health Fitness Management which proposed to start in the year 2010 -11 . Gemology The Add on course with UGC aid is run by the PG and Research Department of Chemistry. It deals with the study of gems including identification, testing methods, cutting, polishing synthetically manufactured gems, precious metals, alloys, their sources and origins, grading etc.

Jewellery industry is growing very fast, which demands trained Gemologist to keep pace with the international market. A trained Gemologist or jewellery designer can find attractive jobs in India or a sparkling carrier abroad with the entry of branded gems and jewellery as well as the increased interest in newer designs and westernized styles, job opportunities have increased. If one can satisfy market needs and continue to create new things, can carve a niche for oneself as a self employed entrepreneur.

Zoology	Certificate course in Bioinformatics

**5. Examination and Evaluation of students**

Monthly class tests, terminal examinations and practical examinations are the main procedures of evaluation adopted. In addition the assignments and presentations that the students make are also evaluated for the purpose of awarding internal assessment marks. Attendance is also one of the criteria adopted for the award of internal assessment marks.

The progress cards which is a performance record of the students in the examinations are directly issued to the parents in a meeting called for the purpose. The parents usually make good use of this opportunity and make enquiries about the progress made by their children in studies. The parents are given opportunity to meet the teachers at least once in two months.

***Student of the Year*** is considered a covetable title by the outgoing student community of this college. The selection is made from the outgoing undergraduate students on the bases of academic achievement, popularity (Queen of Hearts), and general knowledge (Miss. Brainy) personality (Star on Stage), participation in fine arts and other campus activities.

The UG students have college every year - the First Terminal and the Second Terminal Examination. In addition to these, just before the commencement of the University examinations they have to appear for a model examination also just before the University examinations. The schedule of examinations of the year is as follows:

**6. Candidates qualified: NET/SLET/GATE etc**

Five students have qualified the NET exam during the year 2009-10.

**7. Initiative towards Faculty Development Programme****(a) GRACE (Guidance for Research and Consultancy Enhancement)**

Grace provides encouragement and guidance for research and consultancy enhancement to the various departments. During this academic year also, applications have been forwarded to UGC and other funding agencies for Projects from various departments. 9 minor projects have been awarded by the U.G.C., one each to Dr. Rani Paul Ukken, Dr Sr. Resmi, Dr. Valsa John, Dr. Bincy Varghese, Dr. Pearly Sebastian, Dr. Lilly K.D., Ms Geetha K.V, Dr Philomina M.T and Mr. Stalin Raphael. Numerous articles of the Faculty have been published in highly reputed International and national journals. Five of the Faculty Ms. Beena Anto, Ms. Egy T. Paul, Ms. Philomina M.T., Ms. Sarala Joyce Christopher and Ms. Shally Anthappan have been awarded Ph.D. degrees and six faculty members Ms. Jessy Emmanuel, Ms. Annie Wilson (both from the Chemistry Dept.), Ms. Meena Irimpan, Ms. Roseline Alex (Botany), Sr. Isabel (Maths) and Ms. Lissamma John (Hindi) are presently undergoing Ph.D. programmes under F.I.P.

Congratulations to Dr. Shally Anthappan, Mr. Stalin Raphael , Dr Sr Rose Bastin and Dr Philo Francis for their paper presentations at International Conferences at Jaipur, Marrakesh, Morocco ,Gwalior and Trichi respectively. Congratulations and Bon voyage to Dr. Rani Paul Ukken who has been invited to present a paper at an International Conference in Osaka, Japan in June.

**8. Total number of seminars /workshops conducted**

As an effective technique to exchange and disseminate knowledge, the college introduced Seminars by external experts and luminaries on frontier areas of various disciplines at the Regional, State, National and International levels. This year the college organized one International seminar, one National, one State level, two Regional level, one Inter-collegiate level and seven College level seminars. The college also conducted five Inter-collegiate exhibitions during the year 2009-10.

### 23. Courses in which student assessment of teachers is introduced and the action taken on Student feed back

#### *Evaluation of Teaching:*

This college has an elaborate and effective system to **assess teacher performance** in order to give the teacher an idea of his/her strengths and weaknesses. The performance of the teacher is assessed at various stages as follows.

Assessment of the teacher by the Principal (yearly)

Assessment of the teacher by the students (yearly)

Assessment of the teacher by the peers (yearly)

Assessment of the department by the students (yearly)

Assessment of the department by the parents (yearly)

Self - appraisal (yearly)

At the end of each academic year each teacher of the department receives feedback from students, peers, parents and principal in the pre planned feedback form. By analyzing the feed backs he or she accepts the suggestion for the improvement. Then she prepares action plan for the better performance in the next academic year. By doing this year after year the teacher marches into perfect teacher ship. The student also gets an opportunity to evaluate the performance of the department as a whole, again in a pre-planned feedback form. The members of the department make an open discussion about

## **AQAR 2009-‘10**

the feedback and propose the methods for the better performance in the next academic year. These student evaluations are available with the teachers for verification in original. In these cases, however, the identity of the student is not revealed. . The instrument used for the self-appraisal is an elaborate questionnaire issued by the University and this yearly self-assessment is a prerequisite for the promotion or placement of the teacher to a higher scale or post.

### **24. Feedback from Stake holders**

The Patients Teachers Well-Wishers Association of our college is a strong pillar of strength and support to our college. The general body meeting of the P.T.W.A. was held on 16<sup>th</sup> November 2009. A talk was arranged for the parents on “Influence of Media on Families” by Rev. Dr. Anto Chunkath. The official meeting was inaugurated by Sri. M.P. Jackson Municipal Chairman, Irinjalakuda and presided over by Rev. Sr. Annie Grace, the college Manager. The University Rank holders and International players were felicitated and presented Mementos. The afternoon session was set apart for a face to face meeting of the teachers with their wards and their parents. The feedback was collected from the parents by circulating the printed questionnaire.

The departments collected feedback from the stakeholders regarding the faculty, department and college as a whole. The criteria for evaluation were mainly based on the quality of teaching, student’s teacher relationship, and infrastructure facilities including use of ICT. Some of the suggestions came out in the evaluation was regarding the necessity for improving communicative skill of the students- skill in communicating in English and report writing. The stakeholders were happy with the infrastructure facilities and the exposure offered by the department.

### **25. Unit cost of Education**

The college spends generously to the overall development of the capabilities of its students. The unit costs incurred this year for the aided and self-financing courses are given below:

**28. Technology up gradation**

The management is particular that the technological resources of the college must be upgraded to keep pace with the fast growing techniques in various fields of advanced education. With this end in view the administrative machinery of the college has been automated by this time. The Library of the college is also fully computer enabled.. As more and more data are now available on CD's, CD Library has got to be filled with more and more Disc recordings of educational material. The college can boast of a wide variety of the state of the art audio visual teaching aids such as Overhead Projectors, Liquid Crystal Display Units, Educational Compact Discs and Cassettes in addition to a good number of computers. The college is also harnessing all possible means to ensure wider and longer hours of internet access to the faculty and the students at a very nominal cost.

In addition to the above the Department of Journalism has in place state of the art editing facility with a most modern television camera supported by other digital gadgets including the computer system. With the aid of the above facility out students bring out regularly a Lab Newspapers. Keeping in view of the fast technological changes overtaking the news paper industry, we have already switched over to Quark Express from Adobe Page Maker for the pagination and layout work of our Lab News Papers the Commentator and News Line.

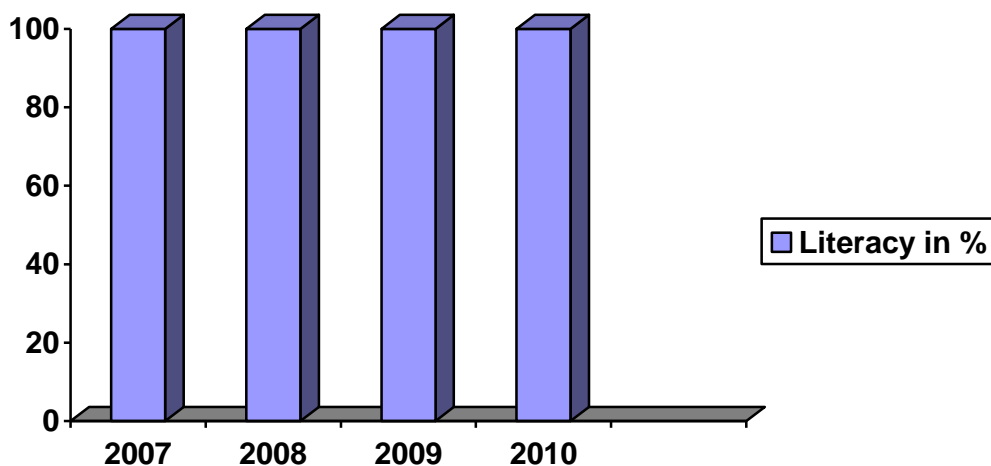

**Other technological up-gradation initiatives include the following:**

- *Tally* Course for the students of Commerce and Mathematics
- Module course in Latex Software for M.Sc. students.
- Certificate course in Operation Research
- M.S. Project (Project Planning and Management), SPSS (Social research), Key-Plot (Social-Research) and other advanced methods in Social Sciences.
- E-learning process for Elucidation and Clarification of difficult areas.

The investiture ceremony of the final year B.Sc students was held on 29<sup>th</sup> January. This year also alumnae association has given financial assistance to meritorious students .Of alumnae for their higher students

**32. Activities and support from the Parent –Teachers Association**

The Association that has been in existence ever since the inception of this college has always been a tower of strength to the institution in all its endeavours. The academic interest of the Association has always prompted to take quick notice of the achievements the college makes in that area and facilitate the winners and the teachers behind them without hesitation. In the matter of financial support also, the association has always been a perennial source of help. A good part of the development of college infrastructure was made possible with the funds raised by the PTA. It has always shown keen interest in facilitating the top scorers and in arranging fitting farewell functions to the retiring faculty. The Association has also taken care to arrange Seminars meant for the parents on topics especially important to them.

The Parents Teachers Well-Wishers Association of our college is a strong pillar of strength and support to our college. To chalk out the action plan of the current year a meeting of P.T.W.A. executive members was held in the month of June 2009. P.T.W.A. assured their whole hearted co-operation and support towards the construction of the new seminar hall. P.T.W.A. arranged a talk on “Role of parents in moulding their children” by the renowned advocate Mr. Kunjipalu on 29<sup>th</sup> June at the Commencement of I semester U.G. Classes.

Frequent meetings were held to discuss the matters on fund collection towards the construction of new seminar hall by printing coupons and distributing them to faculty, staff and students. Execution of this work was done by November and December. Our heart felt thanks are due to the PTWA for their whole hearted co-operation and support.

The general body meeting of the P.T.W.A. was held on 16<sup>th</sup> November 2009. A talk was arranged for the parents on “Influence of Media on Families” by Rev. Dr. Anto Chunkath. The official meeting was inaugurated by Sri. M.P. Jackson Municipal Chairman, Irinjalakuda and presided over by Rev. Sr. Annie Grace, the college Manager. ### ies of the Guidance and counselling unit

#### (a) Darsana Family Counselling Centre

“Wholesome individuals “happy families” this is the aim and motto of Darsana Family Counselling Centre, situated at St. Joseph’s College campus. The parent organization of Darsana is Pavana Service Society at Chalakudy run by CHF Pavanatma province.

Darsana concentrates more on Family counselling with 3 fold intentions.

1. Helping those already in the path of life by giving them confirmation support and training.
2. Helping those who are facing problems in life by equipping them to help themselves.

3. Rendering help to those in need of growth in actualizing themselves.

Darsana stands as a beacon in the face of darkness in the society and family, fighting against the social evils like Alcoholism, AIDS, Women-harassment, Abortion, etc and concentrate upon good personality formation through counselling, awareness class etc to individuals and groups.

Darsana made tremendous achievements during the last year. It is because of the support and co-operation from the management and dedicated services of 2 counsellors, staff and faculty.

Main Activities of the last year

1. *Counselling and referral services:-*

Darsana took around 452 cases and follow ups during this year and also provide referral services if necessary. The details of cases are as follows: 29 marital maladjustment, 10 abuse or alcoholism of husband, 7 dowry cases, 30 domestic violence, 23 scholastic backwardness, 5 love affairs, 5 psychiatric problems, 16 personality difference, 10 suicidal tendency, 5 economic crisis and 7 pre-marital counselling.

2. *House visits*

Twice in a week we are visiting the houses of clients. Family visits help to get a clear picture of the clients' problems.

3. *Act as a liaison*

According to the clients need the centre makes arrangements for the medical and psychiatric treatment and networking with voluntary organizations.

4. *Happy Home programme*

It is a two days non residential programme for final year non-catholic students to prepare them for marriage. Last year Darsana conducted 2 happy home programmes with 200 participants.

5. *Mathruvedi meetings*

In order to give awareness about their rights and duties, the centre formed a group of mothers from the nearby Shanmugham Canal Base Colony. Once in a month they gather together and discuss their family problems and also the problems faced by their community and they direct clients to the centre. Darsana took initiative to start small saving schemes for the mothers, organize classes,

arrange visits to various institutions and also celebrate the day of national importance.

6. *Awareness programme*

Darsana conducted awareness programme on social evils, family relations, personality development, gender mainstreaming, sex education, motivation, emotional management, Domestic violence act, responsible parenthood, women empowerment, impact of alcoholism etc. Through these seminars, the participants were enlightened to lead a more meaningful life. Last year Darsana conducted 77 awareness programmes related to different topics.

7. *Extension services*

Darsana gives extension services to St. Joseph's Study Centre, Social Action Forum, Prathyasha and also De-addiction Centre Navachaithanya for the services.

8. *Awareness Generation Project Camp*

Darsana conducted 2 AGP camps at Iykkarakunnu village and Shanmugham Canal Base Colony. In Iykkarakunnu village, the camp (09-12-2008 to 18-12-2008) was inaugurated by Mrs. Ambika Chathu (President, Poomangalam Panchayath). The meeting was presided by Dr. Fr. Jojo Thoduparambil (Vicar, St. Antony's Church, Iykkarakunnu) and felicitation was given by Rev. Sr. Elsy Kokkat, Director, F.C.C. Around 26 members participated in this camp who were given awareness class on different topics.

Second day of the camp at Shanmugham Canal Base Colony dated on 20.01.09 to 30.01.09 was inaugurated by Mr. M.P. Jackson (Municipal Chairman, Irinjalakuda). Mr. P.V. Sivakumar (Municipal Counsellor, Irinjalakuda) was the president for the meeting and felicitation was given by Rev. Sr. Elsy Kokkat, Director, F.C.C., and Around 24 members participated in this camp and were given awareness classes on different topics.

The outcome of the camps, Formation of self help groups, Camp meeting once in a month, Better relationship with family members.

Awareness about the method and procedures related to D.V. Act which helped women to protect from violence.

### ***a) House Visit***

A house is built by bricks; but a home is built by hearts. But when hearts are divided and in fact, fighting with each other, home becomes a hell. Family problems affect the children more in their teenage. Many students are helpless victims of the liquor and drug addiction of father, psychological problems of mother and frequent quarrels at home. How can they concentrate on their studies in such a family atmosphere? In such a case tutor takes steps go to the students' house, meet the parents and talk to them. Usually teachers go along with the Holy Family sisters in the college. Sanctifying families through house visit and prayers is the charism of the Holy Family Sisters.

The tutor's visit to the family often produces wonderful results. The atmosphere of the family changes, if father is an alcoholic, he is advised to keep away from liquor. If he is an addict, he is taken to the de-addiction centre. Medical care is given to mother, if needed. When care and attention is given, the student also changes. It was amazing to see average students suddenly emerging as the top students. Facility for counselling is also offered. Smile appears on gloomy faces. Those who always remained in the background come to the mainstream, participatory in various activities of the college. Thus St. Joseph's college provides not only intellectual development of the student, but paves way for the overall growth of the student as well as the family. Financial aid is also given if needed from the P.T.A. and Social Service Fund.

The college decided to have the innovative practice of visiting the house of faculty and students. Accordingly the faculty visited the house of 222 students during

the year 2009-10. The Principal, Vice Principal and the IQAC Coordinator visited the house of all the faculty and staff during the year 2009-10.

### **42. Action Taken on the AQAR of the previous year**

It was decided by IQAC to focus more on curriculum aspects and best practices, during the year 2009-10 based on the AQAR of the previous year and accordingly, IQAC has expanded its activities, recruiting new members of the faculty and entrusting them with various responsibilities for the betterment of the college.

Many members of the faculty have been actively involved in the restructuring of the curriculum. Quite a few members of faculty have noteworthy positions in the academic bodies.

Even though the college has quite a number of good practices, a few have been selected as the best, which are - the house visits to the ward's homes by the teachers, the introduction of many certificate courses, which equip and enhance the ability of the students to meet the rising challenges of the society and the world at large, the conversion of the diploma course in Cryptography to M.Sc. in Cyber Security. The activities of the Centre for research in Mathematical Science, Department of Mathematics progressed during the academic year, with the recruitment of research scholar for Ph.D. Four faculty (M. Phil holders) and 2 JRF (1 CSIR) students formally registered under the two supervisors in the Department, Dr. Lilly P.L. and Dr.

## **AQAR 2009-‘10**

Mangalambal N.R. The research papers under combined authorship of Dr. Lilly P.L., Mr. Antony, Mrs Geetha K V and Dr. Mangalambal N R got accepted for presentation in the International Congress of Mathematicians, to be held at Hyderabad from August 19-28, 2010, This acceptance was a milestone in the research activity of the Department, as the International Congress was held (every 4 years) for the award of Fields Medal (Nobel Prize in Mathematics) and India got its first chance to host this congress during 2010. The first Ph.D student from this centre, Ms. Geetha K V submitted the thesis for evaluation. The Department of Chemistry got the recognition as research centre, affiliated to University of Calicut. Two faculty Dr. Philo Francis, Dr. Sr. Rosa K D got the recognition as research supervisors in Commerce affiliated to Mahatma Gandhi University. Apart from these, teachers were actively involved in the participation of seminars, presentation of papers, exhibitions, projects and conduct of seminars without fail.

etc. Among these 22 students 14 students were free hostel (funded by management) and students were from reservation background (getting aid from the government).

### ***d) Redress Cell***

The students often offer suggestions on the changes they expect in the working of the college, department etc. and these suggestions are invariably taken into account and attempts are made to implement them. During the year, the following feedback suggestions came up from among the students and appropriate actions were taken to implement them:

The Grievance Redress Cell consists of the following members: The Principal, Vice Principal, the Superintendent, a staff representative and the IQAC Coordinator. The Cell received the following grievances during the year:

1. Harassment in bus and misbehaviour outside the campus were the main complaints..
- 2 Additional facilities for drinking water was another request.

The Cell considered these grievances in detail and found them genuine

- 1 Timely action was taken by informing the police
- 2 policemen periodically patrol the surroundings
3. A water purifier was installed in the 1<sup>st</sup> floor out of the funds raised by the college Union.

### ***e) Central Monitoring Cell (Student Support Services)***

Central Monitoring Cell functioning under the direct charge of the Vice Principal is always on the look out to any need, request or grievance raised by any one in the student community.

Problems related to Examinations were handled in consultation with the office of the controller of Examinations.

Students were given timely information and guidance regarding scholarship instituted by the Govt. and other agencies such as.

## **AQAR 2009-'10**

The major outcomes of the academic year 2009-10 are given in brief.

### **2. Curriculum aspects**

As the college is affiliated to Calicut University the curriculum is designed by the University. From this academic year, credit and semester system has been introduced by the University. 15% of our faculty members attended various seminars conducted by the University in connection with syllabus restructuring curriculum design and development process. A seminar was arranged in the college to communicate a clear cut idea to the faculty about the restructuring process. The faculty depicts an avid interest to participate in academic bodies outside the college. About 19 of the faculty members have noteworthy positions in Board of Studies, Academic Councils, Paper Setting, Thesis Evaluation etc.

### **3. Newly started programmes Add on and enrichment courses.**

This year, the PG Diploma Course in Cryptography has been converted to M.Sc. Cyber Security. Two more UGC sponsored Add on Course in Gemology and Yoga and Health Management have also been introduced and is being conducted very successfully. 16 certificate courses and many other soft skill courses have been offered this year. **4. Best Practices of the Year**

The best practices of the year are the house visits and the enrichment courses. Each teacher is expected to visit her wards and the homes of 222 students have already been visited by the faculty. Each student's home is expected to be visited by the tutor at least once by the end of her degree course or the P G course. The Principal, the Vice Principal the IQAC coordinator and the management representative have visited all the homes of the faculty and staff in the year 2010.

Enrichment courses have been introduced to equip the students to bridge the gap between the syllabus and the global market and to enable them to meet the rising challenges of the times. The 31 Enrichment courses cater to the different tastes and attitudes of the students.

In order to meet the challenges and impact of the cyber world and due to the increasing rate of cyber crimes, an innovative course, the cyber security course has been offered to create awareness among the students about the job opportunities offered in the fields of defence, banking and financial sectors, M.N.C. and also developing higher research

fields. The increasing demand for security personal in the above fields and possibilities for innovative research programmes in areas like cryptography have motivated the college to begin the new course.

A lot of reforms have been introduced in the conduct of examinations due to the introduction of the Credit Based Semester System for the U.G. courses. The I.A.S. coaching has been continued this year too. NET coaching classes were renewed during the vacation.

### **5. Research programme**

50% of the faculty is already Ph.D. holders, six research guides, actively involved in research and two research centers, namely Mathematics and Chemistry are functional in the college. 7 members of the faculty have availed of the F.I.P. programme offered by the U.G.C.

### **6. Seminars conducted**

Thirteen seminars were conducted by the various departments in the college. Eight exhibitions were held, elaborating on various topics of the syllabus and expounding on the practical sides of the subjects. The Physical Education department hosted 3 tournaments and 4 coaching camps, reaching out to the society.

Members of the faculty are encouraged to participate in seminars and courses to expose them to the new trends and to enhance their knowledge of their subjects and otherwise. 58 of the faculty seized the opportunities offered to them and participated in various national, international and U.G.C. sponsored regional seminars.

### **7. Paper presentations, Publications, Manuscripts and Software Packages**

Six papers were presented by the members of the faculty in International and National Seminars. The college has to its credit 18 articles published in International, national and regional journals by the members of the faculty and a publication in an internationally edited book. 7 members of the faculty have presented papers in seminars and their papers have been published in the respective proceedings. Almost all the departments release their manuscripts and publications annually. 14 manuscripts have been published this year. The college offers software packages to the PG students in the department of commerce. Eight members of the department are actively involved in it.

### **8. Research Grant Received and Projects under-taken**

DST under First programme sanctioned an amount of Rs 30 Lakhs to the PG and Research Department of Mathematics and Chemistry during the year 2009-10. Five

## **AQAR 2009-'10**

projects were newly sanctioned which makes a sum of eight ongoing projects. 7 members of the faculty function as editors of various journals and books.

### **9. Collaborative Activities, Extension Programmes & Consultancy**

The department of commerce has a Memorandum of Understanding with ACE computer education to conduct (Tally). Tally course of Tally Solutions Bangalore Ltd., open to the students of the college and the locality. Collaborative activities are conducted by 5 departments. 40 various types of consultancy activities are conducted by the various faculty of the college. Our members of faculty show a keen interest in the society and 16 of them are actively involved in different ways.

Many members of the faculty hold esteemed positions such as the General Convener of Jana Maithri Community Policing, Vice-President of all college Principals, Member of Governing Body - Dakshin Bharthi Hindi Prachar Sabha, Member - Youth Welfare Board, District Member of Kerala Total Sanitation Campaign, Extension faculty of Kerala institute of Local Administration, Counsellor in Prathyasha ( an association for mentally disturbed).

### **10. Community Services**

The most important channels through which the students reach out to the Society are the National Service Scheme, National Cadet Corps, Compulsory Social Service, All India Catholic University Federation (AICUF) and Community Aid and Sponsorship Programme (CASP) operating actively in the college round the year.

Two members of our faculty serve as part time counsellors in 'Prathyasa', a crisis intervention centre affiliated to 'Be Friend India'. One of them is also a member of Lok Adalat, Irinjalakuda.

A very active and strong unit of N.C.C. exists in our college. One of the cadets, who participated in the RD Camp won quite a number of prizes and was also selected for the youth exchange program to be held in Malaysia. The Units of N.S.S. donated blood to 157 individuals. The volunteers reached out to the needy by adopting a village. The Compulsory Social Service scheme enables the students to extend a helping hand to the downtrodden, identifying with them and also bringing about a strong sense of justice and patriotism. Children of the unprivileged society are adopted through the Community Aided Sponsorship Programme and nurtured, educated and moulded to be fit citizens of the society.

## AQAR 2009-‘10

Darsana, the counselling centre reaches out not only to the neighbouring needy, but also far and wide. Anti-Alcoholism classes for ‘A-Group’ members, ‘Mathruvedi’ - for the mothers, premarital seminars, Consultation for the mentally disturbed, for marital and family problems are conducted throughout the year. In this turbulent world with decreasing values, spiritual enhancement programmes, a necessity, is arranged for the students. Thus the teachers and students have a spiritual, emotional, psychological and intellectual development.

The other achievements during the year, as per the academic event schedule, formulated after elaborate and sincere planning by the various departments and committees is given in the following table C.

In addition to academic and outreach programmes in the college, special emphasis is given to National and International Days to promote Unity in Diversity.
