## 1. INTRODUCTION

### 1.1. History of the College

St. Joseph's College, Irinjalakuda is a college for women, affiliated to the University of Calicut and managed by St. Joseph Educational Society of pavanathma province of the Congregation of the Holy Family. The Congregation was founded in 1914 by the visionary zeal of Blessed Mariam Thresia, a pioneer in the field of family apostolate, beatified on 9th April 2000. The founding of the college in 1964 under the able leadership of late Mother Josephine, the Superior General, was a memorable event in the history of the Congregation. The College, which is an answer to the ever increasing demand for higher education among young ladies, was reaccredited in the third cycle at A level in 2013 by the National Assessment and Accreditation Council (NAAC) - an autonomous institution under the U.G.C. The college was awarded Autonomy in March 2016. The college was granted the status of College with Potential for Excellence by UGC in April 2016. The college has secured the 97th place at the national level, among the top 100 colleges in the NIRF (National Institute Ranking Framework, wing of MHRD, Govt. of India) rating in 2018.

### 1.2 The Vision

**Women empowered and liberated through knowledge for a brave new world of ideal families.**

In order to realize the vision, the College aims to impart an education par excellence for the all-round development of the young women who enter its portals. They are trained to express themselves in love, compassion, creative action and self-discipline.

### 1.3 The Mission

**Creating an educational environment for the total development of young women in this globalized e-world through value based holistic instruction across a wide range of disciplines and mainstreaming a gender perspective in the national development process.**

The success of the mission depends upon the committed endeavour of the students, the consistent effort and sacrifice of the management, faculty and staff, and the whole hearted co-operation of the guardians and well-wishers of the college.

The institution provides value based education in a secular atmosphere, and is open to all, irrespective of religion, caste or community.

#### **1.4 The Coat of Arms**

The College Coat of Arms highlights the intellectual and moral tasks envisaged by the founders. The motto on the crest is "**Light, Life, Love**": **Light** - for the enlightenment and illumination of heart and mind which enables one to dispel the darkness of ignorance and evil; **Life** - for the fulness of growth in every way, physical, intellectual, mental, emotional and spiritual; **Love** - for the law of compassion and tenderness which aims at a sweet fellowship among all, the cooperation and communion with one another and with the Supreme. The matrix of the shield encloses a central area divided into three parts. The upper triangular portion contains a heart with flames, symbolising the internal divine love. The lower triangle is split into two halves, one half endowed with the image of a book and the other, a wheel. The open book embodies pursuit of knowledge and the wheel indicates the flux and progress of life. The picture of the lilies on the shield, over the central area, evokes memories of St. Joseph, the holy patron of the college.

## RESEARCH CENTRES

### **Golden Jubilee Research Block**

The Four Research Centres of the college are housed in the newly built Golden Jubilee Research block, spread over around 20,000 sq.ft on three floors, constructed at a cost of three crores. Centralised AC system, lift, seminar halls, conference hall, cabins for research guides and research scholars with computers and wi-fi facility are made available.

#### **a) Centre for Research in Mathematical Sciences**

The Centre for Research in Mathematical Sciences, affiliated to the University of Calicut is a recognized centre since December 2002 and involves in Higher learning and Research in the disciplines of Mathematics, Statistics and Computer Science. The Centre has two Research Supervisors, Dr. Mangalambal N.R (Head, Dept.of Mathematics, 2005) and Dr. Sr. Lilly P.L (2008).

Four Research Scholars have been awarded Ph.D till date from this centre. Presently six Ph.D scholars are pursuing studies at the Centre. The centre organizes seminars/workshops/conferences of regional, National/International level and focuses on training the students to inculcate research aptitude by providing project problems and platforms that educate them to adopt research oriented learning techniques.

#### **b) Centre for Research in Chemical Sciences**

This Centre has three guides working on the frontier areas of Chemical Sciences. They are Dr. Rosebella K. Puthur, Dr. Pearly Sebastian & Dr. Sr. Lilly Kachappilly. One scholar is undergoing research at the centre. This centre is also famous for Gemological investigation. Some sophisticated instruments were purchased and renovation of the laboratory was also done availing the fund from the Department of Science and Technology, Government of India. The Chemistry Department maintains a broad selection of state-of-the-art- research instrumentation facilities.

**c) Centre for Research in Commerce and Management Studies**

The centre got approval from the University in 2012 and has taken off with flying colours. The Centre has three Research Supervisors. They are Dr. Philo Francis, Dr. Sr. Rosa K. D. and Dr. Jancy Davy. One scholar has been awarded Ph.D. and 14 scholars are pursuing research studies at the centre. The centre has a commendable research oriented collection in its book shelves and journals archives. The centre conducts seminars and workshops on a regular basis to cater to the needs of the ever-changing global business environment.

**d) Centre for Research in English**

The Department of English was elevated to the research department status in the year 2012. The Centre for Research in English Language and Literature became fully functional in 2015 with Dr. Asha Thomas becoming a recognized research guide. The centre offers guidance in various areas such as cultural studies, children's literature, theory, fiction, poetry and cartoon studies. Currently there are 4 research scholars registered, 2 as full timers and 2 as part timers, with their work proceeding steadily at various stages.

**e) CDRL (Communicable Disease Research Laboratory)**

Communicable Disease Research Laboratory, an extension of Zoology department, is a Golden Jubilee initiative of St. Joseph's College Irinjalakuda. Hale and hearty territory is the Vision of the lab and is actively engaged in research activities emphasizing eradication and control of communicable diseases. Currently the lab has two Major Research Projects funded by the University Grants Commission and Kerala State Council for Science, Technology and Environment.

There are five full time research scholars under the supervision of the research guide, Dr. Aneesh E.M. Within a short span of time, the lab could publish five research papers in peer reviewed International Research Journals.

Blessed Mariam Theresia was born in the Chiramel Mankidiyan family in Puthenchira, Kerala, on 26<sup>th</sup> April 1876. Her whole life was a beautiful and powerful utterance of her passion for the Lord and compassion for His people. She was convinced that the world could be saved only through families embedded on the rock of love, and founded the Congregation dedicated to the cause of families on 14 May 1914. Knowing that education of women was crucial for their empowerment and the formation of ideal families, she dared to blaze a trail and started a primary school in 1915; the roots of St. Joseph's College lie deep in this vision of the Blessed Mother. On 8<sup>th</sup> June 1926, she left for her heavenly abode and was declared 'Blessed' on 9<sup>th</sup> April 2000.

Venerable Fr. Joseph Vithayathil, the co-founder of the Congregation of Holy Family was born on 23<sup>rd</sup> July 1865 in the parish of Manambady, Puthenpally. He received the priestly ordination on 11<sup>th</sup> March 1894. When the Congregation of the Holy Family was erected, the father was appointed its chaplain. His invaluable wisdom guided the destiny of the Congregation and his spiritual foresight and cautious courage directed the Blessed Mother in the struggles of her soul. Father Vithayathil was called to his heavenly abode on 8<sup>th</sup> June 1964. He was declared 'Servant of God' and raised to the honours of the altar in June 2004. In December 2015 the saintly priest was pronounced 'Venerable' by the Catholic Church.
