1.1. History of the College

St. Joseph's College, Irinjalakuda is a college for women, affiliated to the University of Calicut and managed by St. Joseph Educational Society of Pavanathma province of the Congregation of the Holy Family. The Congregation was founded in 1914 by the visionary zeal of Blessed Mariam Thresia, a pioneer in the field of family apostolate, beatified on 9th April 2000. The founding of the college in 1964 under the able leadership of late Mother Josephine, the Superior General, was a memorable event in the history of the Congregation. The College, which is an answer to the ever increasing demand for higher education among young ladies, was reaccredited in the third cycle at A level in 2013 by the National Assessment and Accreditation Council (NAAC) - an autonomous institution under the U.G.C. The college was awarded Autonomy in March 2016. The college was granted the status of College with Potential for Excellence by UGC in April 2016. The college is among the top 150 colleges in the NIRF (National Institute Ranking Framework, wing of MHRD, Govt. of India) rating in 2021.

1.2 The Vision

Women empowered and liberated through knowledge for a brave new world of ideal families.

In order to realize the vision, the College aims to impart an education par excellence for the all-round development of the young women who enter its portals. They are trained to express themselves in love, compassion, creative action and self-discipline.

1.3 The Mission

Creating an educational environment for the total development of young women in this globalized e-world through value based holistic instruction across a wide range of disciplines and mainstreaming a gender perspective in the national development process.

The success of the mission depends upon the committed endeavour of the students, the consistent effort and sacrifice of the management, faculty and staff, and the whole hearted co-operation of the guardians and well-wishers of the college.

The institution provides value based education in a secular atmosphere, and is open to all, irrespective of religion, caste or community.

1.4 The Coat of Arms

The College Coat of Arms highlights the intellectual and moral tasks envisaged by the founders. The motto on the crest is "**Light, Life, Love**": **Light** - for the enlightenment and illumination of heart and mind which enables one to dispel the darkness of ignorance and evil; **Life** - for the fullness of growth in every way, physical, intellectual, mental, emotional and spiritual; **Love** - for the law of compassion and tenderness which aims at a sweet fellowship among all, the cooperation and communion with one another and with the Supreme. The matrix of the shield encloses a central area divided into three parts. The upper triangular portion contains a heart with flames, symbolising the internal divine love. The lower triangle is split into two halves, one half endowed with the image of a book and the other, a wheel. The open book embodies pursuit of knowledge and the wheel indicates the flux and progress of life. The picture of the lilies on the shield, over the central area, evokes memories of St. Joseph, the holy patron of the college.

RESEARCH CENTRES

Golden Jubilee Research Block

The Four Research Centres of the college are housed in the newly built Golden Jubilee Research block, spread over around 20,000 sq.ft on three floors, constructed at a cost of three crores. Centralised AC system, lift, seminar halls, conference hall, cabins for research guides and research scholars with computers and wi-fi facility are made available.

a) Centre for Research in Mathematical Sciences

The Centre for Research in Mathematical Sciences, affiliated to the University of Calicut is a recognized centre since December 2002 and involves in Higher learning and Research in the disciplines of Mathematics, Statistics and Computer Science. The Centre has four Research Supervisors Dr. Seena V. (Assistant Professor, Department of Mathematics, Christ College Irinjalakuda (2019) and Dr. Fijy Jose P (2019) and Dr. Sabna K.S. (2020) (Assistant Professor, Department of Mathematics, KKTU Govt. College Pullut, Kodungallur, Dr. Pravas K (2020) (Assistant Professor, Department of Mathematics, KKTU Govt. College Pullut, Kodungallur.

Nine Research Scholars have been awarded Ph.D till date from this centre. Presently Seven Ph.D scholars are pursuing studies at the Centre. The centre organizes seminars/workshops/conferences of regional, National/International level and focuses on training the students to inculcate research aptitude by providing project problems and platforms that educate them to adopt research oriented learning techniques.

b) Centre for Research in Chemical Sciences

This Centre has Six guides working on the frontier areas of Chemical Sciences. They are Dr. Pearly Sebastian, Dr. Deena Antony, Dr. Bincy Varghese, Dr. Bibitha Joseph, Dr. Manoj A L & Dr. Sinto Jacob (Department of Chemistry, St. Aloysius College, Elthuruthu. Six scholar is undergoing research at the centre. This centre is also famous for Gemological investigation. Some sophisticated instruments were purchased and renovation of the laboratory was also done availing the fund from the Department of Science and Technology,

Government of India. The Chemistry Department maintains a broad selection of state-of-the-art research instrumentation facilities.

c) Centre for Research in Commerce and Management Studies

The centre got approval from the University in 2012 and has taken off with flying colours. The Centre has Five Research Supervisors. They are Dr. Philo Francis, Dr. Sr. Rosa K. D., Dr. Jancy Davy, Dr. Josheena Jose K, Assistant Professor, Christ College, IJK and Dr. Sandhya G Nair, Assistant Professor, Sri Vivekananda College, TSR. Eleven scholars have been awarded Ph.D. and 10 scholars are pursuing research studies at the centre. The centre has a commendable research oriented collection in its book shelves and journals archives. The centre conducts seminars and workshops on a regular basis to cater to the needs of the ever-changing global business environment.

d) Centre for Research in English

The Department of English was elevated to the research department status in the year 2012. The Centre for Research in English Language and Literature became fully functional in 2015 with Dr. Asha Thomas becoming a recognized research guide. The centre offers guidance in various areas such as cultural studies, children's literature, theory, fiction and poetry studies. Currently there are 5 research scholars registered, 2 as full timers and 3 as part timers, with their work proceeding steadily at various stages.

e) CDRL (Communicable Disease Research Laboratory)

Communicable Disease Research Laboratory, an extension of Zoology department, is a Golden Jubilee initiative of St. Joseph's College Irinjalakuda. Hale and hearty territory is the vision of the lab and is actively engaged in research activities emphasizing eradication and control of communicable diseases. Currently the lab has two Major Research Projects funded by DST & DBT.

There are five full time research scholars under the supervision of the research guide, Dr. Aneesh E.M. Within a short span of time, the lab could publish fifty research papers in peer reviewed International Research Journal.

8. THE COLLEGE ACTIVITIES

8.1 College Union

The largest student body responsible for student support activities, the College Union functions in this campus as a democratically elected statutory body with powers and privileges as laid down in the university statutes. The students can expect the best and the most reliable support

from the college union in all their needs and requirements and this keeps the campus atmosphere and ambience warm and welcoming. Election to the positions of the College Union is done adhering strictly to the university statute norms and it is perhaps an educating experience offered to the students to rule themselves keeping the welfare and well being of their fellow students foremost in mind.

In the functioning of the College Union, the office bearers are advised and aided by the Staff Advisor, a member of the teaching staff appointed by the Principal and ratified by the College Union. The functioning of the Arts Club also is under the guidance of a teaching staff member designated as President who is also appointed by the Principal in consultation with the College Union. However, the Principal is the ultimate head of all the programs and events organized and hosted by the college union on the campus. The President of the Union is the Principal (ex-officio).

8.2 College Union Council

- a) The President of the Union is the Principal (ex-officio)
- b) The Chairman, Vice Chairman, Secretary and Joint Secretary
- c) The Secretaries of the various College Associations.
- d) One representative each of I D.C., II D.C, III D.C., and P.G. classes elected by the students of the respective classes
- e) The Student Editor of the college Magazine

- f) Secretary of the Fine Arts
- g) General Captain
- h) University Union Councillors
- i) The Staff Advisor nominated by the President
- j) The Union Secretary shall act as the Secretary of the Executive Committee.

8.3 Associations & Activities

8.3.1 AICUF

A unit of the AICUF, an organization that tries to link the students to the emerging needs and realities of the university, the church and the wider society, is fully functional in the campus in order to foster formation and personal holiness of catholic students and to enable them to participate in the work of the lay apostolate. The unit organizes programs of catholic action to develop and strengthen Christian ideals and leadership. One of the urgent needs of the modern world is to have ideal, learned scholars and leaders who can face the situation squarely and introduce modes of living better suited for the present day generation. AICUF caters to this urgent need.

8.3.2 National Service Scheme (NSS)

Two units of the National Service Scheme are functioning on our campus under two Faculty Program Officers acquainting the students with voluntary social service through participatory manual work, the teachers themselves giving the lead and guidance. With "Not Me, But You", as its motto, NSS expresses the essence of democratic living and upholds the need for selfless service and appreciation of another man's point of view and also promotes consideration for fellow human beings.

The programs of the units on our campus mainly concern personality development through social service or community service, especially in villages, where the real India lives. Camps are conducted annually in rural locations for this purpose. The camps may typically last for a week or ten days. Many short term camps are also conducted. The major projects undertaken by our units

are adoption of Village, cleaning of public places, construction and repair of roads and water sources, afforestation, literacy classes, watershed projects, plastic eradication, health camps, home for the homeless, debates, seminars, campaigns against social evils etc. The N.S.S. units of the college have successfully impressed the outside world with their dedicated and sincere efforts.

8.3.3 National Cadet Corps (NCC)

NCC, the national organization engaged in grooming the youth of the country into disciplined and patriotic citizens, has one of its all women army units on our campus too and it functions under an Auxiliary NCC officer of the rank of a Lieutenant. The functioning of the unit on this campus has always given sufficient cause for pride for the institution for it has won many national and international honours, awards and recognitions. The organization also seeks to develop character, comradeship, discipline, leadership, secular outlook, spirit of adventure, and ideals of selfless service amongst the youth.

The contribution of NCC to create a human resource of organized, trained and motivated youth is also immense. The cadets are also trained to provide leadership in all walks of life and be always available for the service of the nation. We also train them for various NCC examinations like 'B' and 'C' certificate so that they can take up careers in armed forces.

8.3.4 English for Empowerment Club

St. Mariam Thressia was born in the Chiramel Mankidiyan family in Puthenchira, Kerala, on 26th April 1876. Her whole life was a beautiful and powerful utterance of her passion for the Lord and compassion for His people. She was convinced that the world could be saved only through families embedded on the rock of love, and founded the Congregation dedicated to the cause of families on 14 May 1914. Knowing that education of women was crucial for their empowerment and the formation of ideal families, she dared to blaze a trail and started a primary school in 1915; the roots of St. Joseph's College lie deep in this vision of St. Mariam Thressia. On 8th June 1926, she left for her heavenly abode and was declared 'Blessed' on 9th April 2000. The Canonization of the Blessed Mother was held on 13th October 2019.

Venerable Fr. Joseph Vithayathil, the co-founder of the Congregation of Holy Family was born on 23rd July 1865 in the parish of Manambady, Puthenpally.
