Report of the event

The department of Computer Science and BVoc Software development, St. Joseph's College (Autonomous), Irinjalakuda organized a workshop on German Language – "ICh Liebe Deutsch" on 1st December, 2022. The resource person of the workshop was **Vipindas P D,** German language trainer, DW Institute, West Fort, Thrissur. Around 40 students from various course participated in the workshop.

Students those who are interested in German language from BCA, BVoc Software Development and MSc Data Analytics St.Joseph's College (Autonomous) Irinjalakuda gathered in room no 205 (St.Mariam Thresia Block) for the workshop. The session extended for one hour with the guidance of Ms. Minla, Assistant Professor, Department of Computer Science and BVoc Software Development, St. Joseph's College (Autonomous), Irinjalakuda.

The workshop session started at 2.00 PM. The welcome speech was done by Sruthi Sasidharan, student of 3rd BCA. It was an interactive session for the students. Activities included basic German language lessons in numbers, colors and even a few verbs. And also the words was introduced through games. By the end of the session students learned how to introduce themselves in German. Almost 40 students actively participated in this workshop session. After all, the session was concluded by a vote of thanks that was proposed by Shaamol M. S, student of 3rd BCA.
