MICRO FORENSIA FEST 2022

Abhirami C.M. and Siya Abi

Irinjalakuda: In connection with "Microbiology day and Forensic Week" Department of Microbiology and Forensic Science conducted MICRO FORENSIA 2022 in college, on 22nd September 2022.

The first event was SAVOURY BITES, a food fest. The event was hosted by first and second year students of the same department from 11:00am to 12:00pm with 3 counters in college arcadia. In this digital era, the students make use of Google pay for easy payment. The event was a great success and the department was satisfied with outcomes. Following the food fest the department

arranged MICRO TRIVIA ,a quiz competition at 2.30pm for the students from Integrated Biology, Biotechnology, Zoology and Botany.

The students from department of Biotechnology secured first prize in this event. At the same time of quiz competition, treasure hunt was also organized by the same department.

On 26 September, Monday the students created a crime scene in front of research block with the name "Jisma Murder Case". On 28 September, Wednesday the students also showed a mime with the title "Dr. Psycho" that talked about a doctor who turned out to be a psychopath. They also showed the killings of the psycho and how he was captured.
