What after getting Bachelors in Statistics/Mathematics?

Before answering this question, you have to ask yourself the following:

- What is/are my dream profession/s?
- Am I fit for that job/s?
- What are the qualifications required for it?
- What are my strengths and weaknesses?
- Where do I wish to work? (like within the state or country or abroad)

Proposed Mahalanobis' statistics

- ◆ Handpicked by former Prime Minister Jawaharlal Nehru to shape the Planning Commission
- ◆ Started "Sankhya", the Indian Journal of Statistics
- ◆ According to the ISI, nearly all the major statistical work done in India till the 1930s was done single-handedly by Mahalanobis.
- ◆ He received an Order of the British Empire in 1942 and a Padma Vibhushan in 1968
