REPORT

Date : 29th April, 2022

Place : SNMI Convent- Villa Maria Gertrude Oldage Home, paliyam, kerala

Faculty incharge : Ms. Prameeja Prasadhan, Ms. Ambily Jacob

Students of III BCA (2019-2022) of St.Joseph's College (Autonomous), Irinjalakuda visited "SNMI convent – Villa Maria Gertrude Oldage Home", located in paliyam, vadakkumpuram p.o, Thrissur on Friday, April 29, 2022 as a part of Calicut university social service programme. The Non-Profit organization accommodates nearly 35 inmates, including physically and mentally challenged bedridden aged women. The purpose behind this visit was to interact and socially connect with people who are separated from the society. 30 students took part in this voluntary service under the guidance of Ms. Prameeja Prasadhan, Assistant Professor of the Department of Computer Science. The visit was on 29th of April 2022 from 9.30 am to 12:30 pm. Ms. Megha M S, Class Representatives of III BCA served as the coordinator of the event.

The trip started at 9:30 am and reached by 10:50 am. Sr.Pushpi, Mother, SNMI Convent welcomed everyone. The students visited all the inmates of the Homeless shelter and filled the environment with positive vibe. Our Students sang songs for the inmates and we spent the rest of the time talking and chatting with aged women. Rev Fr. Jude congratulated and appreciated the students for their effort and time for being there for the homeless. He also enlightened us with his wise words on giving back to the needy and the homeless people. Thereafter some of our students also took part in the Holy Mass at 11.30 am conducted for the inmates by Fr Jude. This lovely experience with the inmates of Villa Maria Gertrude Homeless Shelter made us realise how blessed we all were. It made us rethink the worth of being loved and of having people to love. The nuns of the SNMI Convent who serve there selflessly were such an inspiration for us. Above all, the thought of being able to bring smiles to the face of those beautiful souls made us really happy. All students bought cooking and cleaning essentials as an offering and handed over to Sr. Pushpi as a small token of our love. All the students greeted the residents and took utmost care of them. By 12:30 pm programme was concluded and by 3:30 pm we reached at the college.
