Date: 28-03-2023

Venue: College Auditorium

Report of the Event

Department of Computer Science and BVoc Software Development of St. Joseph's College (Autonomous), Irinjalakuda conducted the farewell party: ALOHA 2K23. The programme was held on 28th march 2023 at 2.00 PM in the college auditorium. The event was started by seeking the god's blessing, continued by the welcome speech. As a guidance and blessing the HOD, Dr.Sr.Blessy has delivered the message. She wishes the students with her cool words. Students of III BCA, III B.VOC, II MSC C S, II MSC D A shared their remarkable experiences in the campus life. As a continuation the faculties and the class teachers shared their teaching experiences on their loving outgoing students. In between these several cultural events was organized by the students of II BCA, I MSC CS, and I MSC D A and also the students of II BVOC has arranged some interesting games which was quite interesting and made all, much more active. On the behalf of the programme the students presented a video of the pass out students to memorise their journey in the College as well as in the department. The event was a great success and finally the program has winded up with the vote of thanks.
