RAJAGIRI COLLEGE OF SOCIAL SCIENCE
(AUTONOMOUS), KALAMASSERY

The inaugural ceremony started with a prayer song. Ms. Reesha P. U, Head of the department in charge of Computer Science, welcomed the gathering. Dr. Sr. Rose Bastin, Self-financing course coordinator of St. Joseph's College (Autonomous), delivered the presidential address and she also mentions the significance and growth of our courses.

Our chief guest, Dr. Bindiya M Varghese, Dean – Computer Science, Department of Computer Science, Rajagiri College of Social Science (Autonomous), Kalamassery, inaugurated the function by lighting the lamp and delivered her inaugural address. Dr. Naijil George, Assistant Professor, Department of Biotechnology, St. Joseph's College (Autonomous), proposed the felicitation. The chief guest of the programme, Dr. Bindiya M Varghese was presented a memento by Dr. Sr. Rose Bastin, Self-financing course coordinator of St. Joseph's College (Autonomous). Then there was a cultural event by the BCA students to enhance the glorious to this program. Finally, Ms. Meghana, Association Secretary of our department, proposed the vote of thanks.

TECHNICAL SESSION

After the inaugural ceremony, the resource person took her initial step of her session by the discussion of artificial intelligence. She also showed some daily life examples of it. Also she extends her talk about the data analytics and machine learning with some sources and examples. Later she encourages our students to take the self-learning process. She also points out the importance of developing the aptitude and attitude.

The prestigious part of her session was that, throughout the session our students was so enthusiastic. She concluded her session by pointing out that beyond the curriculum there is a vast area of knowledge platforms which makes the students to enhance their own skills. Finally the session came to an end at 11:40.
