ACADEMIC REPORT

Exploring Forest Biodiversity

Organized by
Department of Zoology & Biodiversity Club

A webinar was conducted by Department of Zoology on 19/03/2021 on behalf of forest day celebrations. The chief guest for the same was Shri. S Balasankar. He is a part of Kerala Forest Department for the past 20 years, especially in the Aranyam magazine section as well as Akashvani scripting. Welcome note was given by Dr. Gigi Poulose, HOD, Department of Zoology.

The session mainly dealt with the forest and its lives. The topics included the forest strata, its flora and fauna, and even the peculiarities of animal behaviour. The topic even connected the species generation and migration with the seasonal changes. The plant-animal-forest relationships were discussed there. Some interesting facts on some birds and animals were also explained in the discussion. The doubts sessions were also conducted at the end of the class. The session came to an end with the vote of thanks by Ms. Ayana. The session was a great success and lasted for almost 2hrs.
