Report of the event

The department of Computer Science and BVoc Software development, St. Joseph's College (Autonomous), Irinjalakuda organized a workshop on "Introduction to Canva designing app" on 21st June, 2022. The main purpose of the programme was to let the students explore the world of designing using canva.

The resource person of the workshop was Suparna K A; alumnae of St.Joseph's College (Autonomous), Irinjalakuda. Around 40 students of final year BCA participated in the workshop. The session covered the useful information about the basic tools of Canva designing app and she explained how to implement it in our projects or brochure making. All

the students actively participated in the workshop and gained a lot from the session. The workshop was conducted for one day. At the end of the event everyone had a great time and learnt a lot of skills on designing.
