

Invited Talk on
'General wave behavior along uniform guiding structures'
Department of Physics
St. Joseph's College (Autonomous) Irinjalakuda
30th September 2019

The Department of Physics organized a one day invited talk on the topic 'General wave behavior along uniform guiding structures' on 30th September 2019 for the First semester M.Sc students with a view to build an outline of the EM wave theory in the students and faculty. Fourteen students and four faculty participated in this programme.

The invited talk was inaugurated in the PG Physics Block by **Prof. Varghese P Kodenkandath, Associate Professor (Rtd), St. Thomas' College (Autonomous), Thrissur**. The programme was presided by Dr. Anto P. L., Head of PG Physics section and Ms. Mary Gisby Poulouse, Head of Department of Physics offered a formal welcome. Ms. Namitha K. A., faculty at Department of Physics, felicitated the occasion and the inaugural ceremonies ended up with the vote of thanks by Ms Nidhiya K Paul, second year PG student.

The Talk was led by Prof. Varghese P Kodenkandath, Associate Professor (Rtd), St. Thomas' College (Autonomous), Thrissur on the topic General wave behavior along uniform guiding structures.

In the valedictory session the participants from all colleges shared their experience and Ms Rincy proposed the formal Vote of thanks. Certificates were distributed by the end of the programme. The programme concluded with Tea.
