The program commenced with the inaugural ceremony by invoking the blessings of the Almighty. The webinar was conducted in Google meet platform. **Ms. Reesha P U**, Faculty of the Computer Science Department, formally welcomed all the faculties and students of this webinar.

In the end, Ms. Gagana Muruli offered a vote of thanks to all including the Principal, the HOD, and faculty advisors without whom this event wouldn't have been possible and all the invited guests for gracing the occasion by their solemn presence and to all the participants of the webinar who were the main ingredient of this webinar.

### **TECHNICAL SESSION**

The technical session was started at 9:30 am and Mr. Mahesh D, Data Scientist, Gen Pro, Thiruvananthapuram, was the resource person of the webinar and delivered his energetic talk on 'Data Visualization - Tableau'. He showed how to work on Tableau. He also explained why data visualization is important and justified with his experience. The resource person gave a demo on Tableau tool during the webinar and made the participants informative and productive. The session was very interactive and many of our participants were actively interacted with the resource person. It was ever memorable for many of our participants. This session came to an end at 10.30 am.

## WHY IS DATA VISUALIZATION IMPORTANT?

- ◎ Technological advances have made **data visualization** more **prevalent** and **powerful** than ever before.
- ◎ Businesses **purpose**.

Mahesh Divakaran
