ACADEMIC REPORT
F4F NATIONAL WORKSHOP ON “FOLDSCOPE FOR FORENSICS”

Organized by

Communicable Disease Research Laboratory (CDRL)

An Indo- US Foldscope Project called 2018 F4F National Workshop on “Foldscope for Forensics” was conducted on 9th November 2018 at MMT Hall. The programme was organized by Communicable Disease Research Laboratory (CDRL) Department of Zoology, St. Joseph’s College, and Irinjalakuda. The programme was welcomed and introduced by Dr. Gigi Poulouse, Asst. Professor, Department of Zoology.

Forensics is scientific tests or techniques used in connection with the detection of crime. The workshop explained about the introduction, techniques, applications and different aspects of forensics. The workshop was sponsored by Department of Biotechnology Govt. of Kerala, Foldscope instruments, CDRL and St. Joseph’s college, Irinjalakuda. The programme was a great success and Certificates were provided to all the participants.
