ST. JOSEPH'S COLLEGE (AUTONOMOUS), IRINJALAKUDA

DEPARTMENT OF COMPUTER SCIENCE

"SMART SOLUTIONS"-START UPS INCUBATED ON CAMPUS

The department of Computer Science conducted a workshop on hardware technologies for second and third year BCA students on 27/05/2019-29/05/2019. The inauguration started with the prayer song. Dr. Sr. Rose Bastin, Self-financing course coordinator, St.Joseph's College (Autonomous), Irinjalakuda, inaugurated the event. Ms.Reesha P. U, Head of the department of Computer Science delivered the cordial welcome address.The resource persons are Mr. Ajay and Mr. Kiran, from Network Solutions, Thrissur. The programme ended with a vote of thanks by a student representative.

The session was handled by **Mr. Kiran K A**, Penetration Engineer, Networkz Systems, Thrissur. The session was very interactive and participants were actively interacted with the resource person. After this hardware workshop students were willing to handle any hardware problems in the campus. They solved some hardware problems in the computers in Sr.Franco Memorial block. They are always available for handling such problems. The class was related to hardwares which they use for their academic purposes. The entire session was very informative and interactive.

The workshop was organized for II year and III year students of BCA department of Computer Science. A total of 65 students actively participated in the workshop. The main objective of this workshop was to provide the fundamental knowledge of computer hardware with hands on practice. The topics covered in the workshop include – Hardware parts of a computer. The outcome of the workshop was in the form of implementation of a sample working project. The workshop was conducted by external training agency Networkz Systems, Thrissur and the main trainer was **Mr. Kiran K A**, Penetration Engineer, Networkz Systems, Thrissur during the workshop.
