

Webstream: Live Webinar Series

Organized by

Department of Computer Science

Date: 16-05-2020 to 22-05-2020

Venue: Online Platform (Microsoft Teams)

Report of the event

The department of Computer Science organised International Webinar series from 16th May, 2020 to 22nd May, 2020 through the online platform, Microsoft Teams. The webinar series provided a live knowledge sharing session by industry experts on a latest and trending skills and technologies. Each one hour session of the webinar series also provided the participants with an insight into the latest industrial standards and application on the desired domain.

The image shows a vertical information card for the 'Webstream: Live Webinar Series'. On the left side, there are five speaker profiles, each with a small portrait photo, name, title, organization, date, time, and topic. The speakers are: Mr. Alon Timothy Wills (Former Principal Engineer, Dell Technologies, Waverly, Ohio, USA), Mr. Ashik Hasim (Managing Partner & Director, Essentially Precise / Precise Communications, Dubai, United Arab Emirates), Mr. Wilson Rao (Head, Department of Information Technology & B.Voc, Jaithind College (Autonomous), Mumbai), Dr. Vinith R (Associate Professor, Jyothi Engineering College, Cheruthuruthy), and Dr. M. Padmadas (Sub Divisional Engineer, IT Cell, Bharat Sanchar Nigam Limited). On the right side, the card features the logo of St. Joseph's College (Autonomous), its name, accreditation details (College with Potential for Excellence, NAAC Accredited at A Grade in the Third Cycle), the organizing department (Department of Computer Science), the series title 'WEBSTREAM International Webinar Series', the start date 'Starts on 16-05-2020', and contact information for registration (Ms. Magniya Davis: 9539216308, Ms. Jasmine Jose: 9961600117) along with a QR code.

Mr. Alon Timothy Wills
Former Principal Engineer
Dell Technologies
Waverly, Ohio (USA)

Mr. Ashik Hasim
Managing Partner & Director
Essentially Precise / Precise Communications
Dubai, United Arab Emirates
Date: 20-05-2020 Time: 2.30 pm
Topic: Data Science and Predictive Marketing

Mr. Wilson Rao
Head, Department of Information Technology & B.Voc
Jaithind College (Autonomous), Mumbai
Date: 19-05-2020 Time: 2.30 pm
Topic: Advanced Technologies using Cloud Computing

Dr. Vinith R
Associate Professor
Jyothi Engineering College, Cheruthuruthy
Date: 16-05-2020 Time: 2.30 pm
Topic: Data Analytics: Challenges and opportunities

Dr. M. Padmadas
Sub Divisional Engineer,
IT Cell,
Bharat Sanchar Nigam Limited
Date: 17-05-2020 Time: 2.30 pm
Topic: Advanced networking Concepts

Ms. Sreelakshmi P
Cyber Security Specialist
Abudhabi
Date: 22-05-2020 Time: 2.30 pm
Topic: Secure Coding Practices

St. Joseph's College (Autonomous)
College with Potential for Excellence
NAAC Accredited at A Grade in the Third Cycle

Organized by
Department of Computer Science

WEBSTREAM
International Webinar Series

Starts on
16-05-2020

For Registration

For any queries kindly contact
Ms. Magniya Davis : 9539216308
Ms. Jasmine Jose : 9961600117

The webinar series commenced with a formal inauguration by invoking the blessings of the Almighty. **Sr. Blessy**, Head of the Computer Science Department, formally welcomed all the dignitaries on the dais and participants from the various educational institutions, colleagues, guests and students. **Dr.Sr. Isabel**, the principal of St. Joseph's College, has given the Presidential address. She pointed various applications of this topic in diverse fields and hoped that the participants will be highly benefited by the speakers. **Dr.Sr. Rose Bastin**, Coordinator of self-financing courses, St. Joseph's College (Autonomous), Irinjalakuda proposed the felicitation. She described and explained the importance of latest trends and technologies in today's world.

In the end, Ms. Magniya, Faculty of Computer Science department, offered a vote of thanks to all including the Principal, the HOD, and faculty advisors without whom this event wouldn't have been possible and all the invited guests for gracing the occasion by their solemn presence and to all the participants of the webinar series who were the main ingredient of this webinar.

Live Webinar Series – Day 1

The session was started at 2.30pm and our resource person, **Dr. Vinith R**, Associate Professor, Jyothi Engineering College, Cheruthuruthy delivered his energetic talk on the topic: Data Analytics - Challenges and opportunities conducted on 16th May, 2020. The session was very interactive and many of our participants were actively interacted with the resource person. This session came to an end at 3.30 pm.

Live Webinar Series – Day 2

The session was started at 2.30pm and our resource person, **Dr.M Padmadas**, Sub-Division Engineer, IT Cell, and BSNL delivered his energetic talk on the topic: Advanced Networking Concepts conducted on 17th May, 2020. The session was very interactive and many of our participants were actively interacted with the resource person. This session came to an end at 3.30 pm.

Live Webinar Series – Day 3

The session was started at 2.30pm and our resource person, **Mr.Wilson Rao**, Head, Department of Information Technology and B.Voc, Jaihind College, Mumbai, delivered his energetic talk on the topic: 'Advanced Technologies using

Cloud Computing’ conducted on 19th May, 2020. The session was very interactive and many of our participants were actively interacted with the resource person. This session came to an end at 3.30 pm.

Live Webinar Series – Day 4

The session was started at 2.30pm and our resource person, **Mr.Ashik Hasim**, Managing Partner & Director, Essentially Precise/ Precise Communications, Dubai, UAE, delivered his energetic talk on the topic: ‘Data Science and Predictive Marketing’ conducted on 20th May, 2020. The session was very interactive and many of our participants were actively interacted with the resource person. This session came to an end at 3.30 pm.

Live Webinar Series – Day 5

The session was started at 2.30pm and our resource person, **Ms.Sreelakshmi P**, Cyber Security Specialist, Abudabi, delivered her energetic talk on the topic: ‘Secure Coding Practices’ conducted on 22nd May, 2020. The session was very interactive and many of our participants were actively interacted with the resource person. This session came to an end at 3.30 pm.

The webinar was well attended by eminent academicians, faculty members and students from reputed technical and various educational institutions. The enormous response was well recognized through the registration of around 800 participants.
