This National level online FDP on ChatGPT is being organised by the IQAC of St Joseph's College (Autonomous), Irinjalakuda in association with The Kerala State Higher Education Council. Spread across seven days, the FDP will be delivered through live instructor-led sessions and also through hands-on activities through Learning Management Portal (LMS). OBE calls for innovative ways of teaching and learning. In this FDP, your takeaways become triplefold as you master innovative methodologies for teaching-learning, building excitement in the classroom, all while saving time and effort. Instead of explaining ChatGPT as a software tool in isolation, this FDP blends it with modern learning theories and approaches to achieve pedagogical excellence as envisaged by NEP 2020. This National level online FDP on ChatGPT is being organised by the IQAC of St Joseph's College (Autonomous), Irinjalakuda
