6. SUMMARY OF MEASURES TAKEN

- Decentralization of exam centers:** With due regard to the spreading of the pandemic, it was deemed appropriate to decentralize the exam centers and conduct the exams at multiple centers. This can avoid unnecessary crowding at the centers and helps at following Covid protocols like practicing social distancing.

- **Marking scheme:** The pandemic had demanded modification in the marking scheme as equal weightage cannot be conformed to previous division of marks. The marking scheme was thus revised considering the need of the time.
- **CO Mapping:** The faculties were studiously trained on the process of CO mapping and the CO mapping for the courses of 2019-20 Post graduate batch was successfully completed.
