ORDER

As per the U.O. read 1st above, the Calicut University Ph.D. Admission Reservation Roster was implemented for all approved research centres of the University of Calicut .

The Principal, Farook Training College and the Corporate Manager, MES Aided Colleges had requested permission to follow the reservation policy applicable to Minority Status Colleges for Ph.D Admission instead of Calicut University Ph.D. Admission Reservation Roster .

The matter was placed before the Committee constituted for preparation of guidelines for II Stage Admission Process and Reservation Roster. The committee resolved to seek legal opinion on the matter of implementing reservation roster for Ph.D. Admission at the research centres of colleges having minority status. Legal opinion from the Standing Counsel is that *"The research centres under the University cannot claim minority status. If the University by itself establishes a research centre, and that the research centres are under the control of the University, and that the administration and control of the research centres in colleges is not with the colleges concerned, which comes minority status, the reservation provided for minority colleges need not be extended to such centres"*

The matter was placed before the Syndicate for consideration. The Syndicate, at its meeting held on 28.04.2025 vide item No.2025.522* resolved to implement the Calicut University Reservation Roster in all approved research centres of the University, vide the paper read as 3rd above.

Sanction has been accorded by the Vice Chancellor to implement the resolution of the Syndicate.

Accordingly, the Calicut University Reservation Roster for Ph.D. Admission has been implemented in all approved Research Centres of the University of Calicut.

Orders are issued accordingly.
